#### Abstract

After publishing "John Wood (Blacksmith) From Scotland to Rawdon, NS in 1815, His Descendants" in 2013, the author traveled to the home of his ancestors in Scotland in 2014. There he met and exchanged information with other extended family members who had been compiling information on Margaret Cranston, the wife of John Wood, as well as John Wood. This additional information allowed him to amend his 2013 book, which is presented here in digital format.
